

CVEA Members: Use Your Co-op Connections Card and SAVE!

SO MANY WAYS FOR YOU TO SAVE

All CVEA members received a Co-op Connections card in 2011. If you haven't used it...it's time to start...and it's time to save!

Shop Locally

With the Co-op Connections Card, members can receive discounts on products and services from participating local businesses.

To receive discounts, members simply show their Co-op Connections Card to any participating business listed on the back of this flyer, at www.cvea.org, or displaying a Co-op Connections sticker.

Shop locally and see where you can save. Visit cvea.org for the most up-to-date list of participating businesses.

Hit The Road

Traveling in Alaska or the Lower 48? With just under 400 other electric co-ops offering the Co-op Connections Card, you may be able to use your card for discounts in their communities.

Headed to Fairbanks? Find many discounts available to you from Golden Valley Electric's participating businesses.

Visit connections.coop and search for discounts by location. All Co-op Connections discounts offered by other participating businesses from around the country are available to CVEA members.

There are also more than 150 national discounts available to all Co-op Connections cardholders.

Clip Coupons

Coupons focus on everyday household items you'd purchase at the grocery store.

Log on to connections.coop and click the green Coupons button.

Just select the coupons you want to clip. Once you've downloaded the Coupon Printer software, coupons print directly to your printer and are ready to be redeemed at the store.

You can also click on Coupon Codes to find special buys at specific retailers on items that you may be looking to purchase.

New coupons are added daily, so check back often.
